E.R. Punshon

Death Comes to Cambers (The Bobby Owen Mysteries) (Volume 6) E.R. Punshon

Police officer Bobby Owen is a weekend guest at Lady Cambers's majestic country pile, there to advise on security following recent burglary scares. But when the lady of the house disappears, her bed unslept-in, it's a case of murder not burglary – for Bobby discovers her ladyship, strangled, in a nearby field.

One of the finest of the early Bobby Owens novels, *Death Comes to Cambers* combines wit and excellent characterization in a satisfying and classic whodunit, featuring an eccentric creationist, a superior archaeologist and an inventive cipher.

Death Comes to Cambers is the sixth of E.R. Punshon's acclaimed Bobby Owen mysteries, first published in 1935 and part of a series which eventually spanned thirty-five novels. This new edition features an introduction by crime fiction historian Curtis Evans.

"What is distinction? The few who achieve it step – plot or no plot – unquestioned into the first rank... in the works of Mr. E.R. Punshon we salute it every time." *Dorothy L. Sayers*

"Mr E.R. Punshon is one of the most entertaining and readable of our sensational novelists because his characters really live and are not merely pegs from which a mystery depends." *Punch*
