Turns Out: The "Demon Weed" actually IS a Gateway Drug!

Who knew? Tom Perkinje certainly didn't. He had never smoked anything in his life, but as the new kid in town trying to make friends he foolishly let his new buddy Reggie talk him into trying a joint that he'd picked up from a new dealer.

Before he knew it, Tom was having a seriously bad trip; a total out of body experience where the world had dissolved around him. The next thing Tom knew, there were these deranged myopic wizards from some place called Astlan calling on him in some sort of pig Latin mumbo jumbo. They had somehow mistaken Tom for a demon! He tried to flee but the wizards were relentless and were determined to conjure him into their world and bind him as their demon slave for all of eternity!

And these crazy wizards? Turns out they were going to war and planned to use their new demon slave as a secret weapon to obliterate the enemy!

Jenn was a journeyman Thaumaturge at Lenamare's Academy of Wizardry. School was a living hell. Oh, she was learning a lot, thanks to Master Trisfelt, but the Head Master and Head Mistress were insufferable egomaniacs. Head Mistress Jehenna seemed bent on making Jenn miserable with her unrealistic demands and eviscerating criticism.

If this was not bad enough, the Head Master, Lenamare, had gone and got in a squabble with another wizard, Exador, and now Exador was marching his army on the school.

And to top it off, during what was supposed to be a routine classroom demonstration on demon summoning, LenaTTmare and the class had stumbled upon what they had thought was a minor demon and tried to bind it.

Unfortunately, it was definitely NOT a minor demon. It was a Greater Demon, something so powerful and Evil that they were almost never conjured onto the Planes of Man. Naturally being Lenamare, Lenamare insisted on trying to bind it to his will so he could use it to destroy Exador and his army.

So the question was: Would Exador's army ravage and kill her, or would the school's newest defense consume her immortal soul?

This is the second edition of the book. It should be a free update to ebook owners if you have updates turned on.
