## **Nixon: A Life** Jonathan Aitken

The rise, fall, and rebirth of Richard Nixon is perhaps the most fascinating story in American politics. Presidential chronicles and other outside sources have tried to capture it in full, but *Nixon: A Life* is the first to succeed. *Nixon: A Life* is the first entirely objective biography of Richard Nixon. Jonathan Aitken, who, in addition to serving in Parliament, serves as Her Majesty's Minister of State for Defense, conducted over sixty hours of interviews with Nixon and was granted unprecedented access to thousands of pages of Nixon's previously sealed private documents. The results of Aitken's interviews and research shed new light on a presidency that is just now beginning to be understood by serious students of history. Among the questions Aitken answers with fresh insight are: . Why didn't Nixon burn the Watergate tapes? How did he achieve his astonishing comebacks after being defeated by Kennedy in 1960 and resigning from the presidency in 1974? What were his relationships with political figures such as Dwight Eisenhower, John F. Kennedy, Henry Kissinger, and personal friends such as Bebe Rebozo and Robert Abplanalp? What caused him to overcome his doubts and pursue the Alger Hiss spy case in Congress? What are Nixon's innermost spiritual beliefs and intellectual influences? What drives him now? Previously published in Great Britain to rave reviews, *Nixon: A Life* is the first Nixon biography written by a non-American author. Aitken's refreshingly unencumbered positions on Watergate and Vietnam provide a unique perspective on Nixon's life and his presidency. *Nixon: A Life* breaks important new ground as a major work of political biography. It is a work that will inspire historians to recognize the outstanding diplomatic achievements of a man whose journey from tainted politician to respected foreign policy expert and elder statesman has been nothing short of remarkable.
