Patent Leather Joey Willis

Imagine Harry Potter being raised by Fred Sanford in Mississippi. Then imagine him as a dysfunctional adult who is now married with kids. His mother has been arrested for stealing free cheese from the W.I.C. office. His father's (John) motto is never let them see you sober. His oldest brother (Steve) is a perverted embezzling fake white supremacist. His two younger twin brothers (Lonnie & Vonnie) are too lazy to open their mouths to talk properly so they mumble. His oldest son (Braxton) plays with feces. His youngest son (Steward) behaves like the black Unabomber. His best friend (Opi) has an amazing tolerance for drugs. His wife's 6'6' grandmother (Hatti Patti) thinks that she is a black vampire. Last, but not least, his wife--(Treva)--his wife breaks all Ten Commandments every day. This is the story of Jax Heumont. A man from Mississippi whose life is filled with so much comedic chaos that he doesn't know what serenity would feel like because he never experiences it. His ongoing battle against his arch nemesis, his wife Treva, and his inability to control his stranger than fiction family and friends is the main focus of this book. Patent Leather is pure unadulterated Mississippian realistic humor. This is a book that will help you feel better about your short comings. A book of inspirational stories about people who are trying to achieve their dream but can't. If you are not illiterate you will absolutely love Patent Leather.
