Adolescence can leave a young person feeling particularly ungifted, as if they don't fit in anywhere. But that's not what God has in mind. He has given every believer, young and old, unique spiritual gifts to build up His body. In *Spiritual Gifts* Jim Burns and Doug Fields, noted leaders in youth ministry, take high school students through a study of the spiritual gifts listed in Scripture and then work through an exercise to help them discover their own gifts and how to use them. Watch teens come to life when they discover that they are gifted and have much to offer the body of Christ.

Inside the book you'll find a special download link for additional reproducible student handouts and options for every session to tailor each study to your group's unique needs.
