Ancient Egyptians at Play: Board Games Across Borders (Bloomsbury Egyptology) Walter Crist, Anne-Elizabeth Dunn-Vaturi, Alex de Voogt

The rich history of Egypt has provided famous examples of board games played in antiquity. Each of these games provides evidence of contact between Egypt and its neighbours. From pre-dynastic rule to Arab and Ottoman invasions, Egypt's past is visible on game boards.

This volume starts by introducing the reader to board games as well as instruments of chance and goes on to trace the history and distribution of ancient Egyptian games, looking particularly at how they show contact with other cultures and civilizations. Game practices, which were also part of Egyptian rituals and divination, travelled throughout the eastern Mediterranean. This book explores the role of Egypt in accepting and disseminating games during its long history. Over the last few years, the extent and the modes of contact have become better understood through museum and archival research projects as well as surveys of archaeological sites in Egypt and its surrounding regions. The results allow new insight into ancient Egypt's international relations and the role of board games research in understanding its extent.

Written by three authors known internationally for their expertise on this topic, this will be the first volume on Ancient Egyptian games of its kind and a much-needed contribution to the field of both Egyptology and board games studies.

From reader reviews:

Michael Campbell:

What do you think about book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Only you can be answered for that question above. Every person has different personality and hobby for each other. Don't be pressured someone or something that they don't want do that. You must know how great along with important the book Ancient Egyptians at Play: Board Games Across Borders (Bloomsbury Egyptology). All type of book are you able to see on many options. You can look for the internet options or other social media.

Peter Holmes:

Playing with family within a park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Ancient Egyptians at Play: Board Games Across Borders (Bloomsbury Egyptology), you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

Edward Salazar:

It is possible to spend your free time you just read this book this e-book. This Ancient Egyptians at Play: Board Games Across Borders (Bloomsbury Egyptology) is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have got much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save often the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Carl Fox:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Ancient Egyptians at Play: Board Games Across Borders (Bloomsbury Egyptology) can make you experience more interested to read.
