As new knowledge—and the possibilities that arise from that knowledge—propels us forward, leadership readiness expert and renowned author Erika Andersen suggests that success in today's world requires the ability to acquire new knowledge and skills quickly and continuously—in spite of our mixed feelings about being a novice.

In her newest book, *Be Bad First*, Erika explores how we can become masters of mastery; proficient in the kind of high-payoff learning that's needed today. With assessments and exercises at the close of every chapter, she encourages readers to embrace being bad on the way to being great—to be novices over and over again as we seek to learn and acquire the new skills that will allow us to thrive in this fast-changing world.
