In this pulse-pounding final installment of the Don't Turn Around trilogy, which *Kirkus Reviews* called “*The Girl with the Dragon Tattoo* for teens, a surefire hit,” Noa and Peter race across the country in their search to destroy Project Persephone before time runs out.

Noa Torson is out of options. On the run with the three remaining teens of Persephone's Army, she is up against immeasurable odds. The group is outnumbered, outsmarted, and outrun. But they are not giving up. When Noa and Peter realize they can't run anymore, and that Noa's health is quickly failing, they know they must go back to where this began. But when they come face-to-face with the man who started it all, the question becomes, can they win?

This riveting final book truly ratchets up the action as Noa and Peter confront the evil that has chased them and won't let them go.
