Stephen Sennitt

Ghastly Terror!: The Horrible Story of the Horror Comics (Primal-Spinal Comix History) Stephen Sennitt

In the 1950s horror comics flourished to the extent that fifty or more different titles could be published in a single month. Later these comics were effectively banned, indicted as a cause of juvenile delinquency'. Prurient imagery incorporating scantily clad women, limb-chopping and trauma to the eye', was often outlawed.

Tracing their development from the grotesque visions of the pre-code' horrors through to the relative sophistication of b&w titles in the sixties and seventies, *Ghastly Terror!* is an entertaining examination of this most persecuted and popular of comic genres.
