Let the Body Speak*: Since all wisdom is within Dr. Shoshana Margolin

This book is a unique masterpiece, which provides the opportunity to delve into a deep understanding of health, disease and healing. The reader will have an adventure of discovery such as never experienced before. "THE BODY KNOWS BEST" is the theme which underscores this unique creation. The book introduces the reader to Quantum Therapy -the ultimate healing modality . . . light years ahead of anything else that's available on the planet. The secret of its success is that pertinent information can be uncovered with complete certainty, by approaching the highest authority -THE BODY ITSELF- which is the "Holder of Knowledge". We dwell within this body 24 hours a day, 7 days a week -and anything that ever happened to us -injury, pain, infection, trauma, loss, frustration . . . is embedded deeply in the fiber of our tissues, in the memory of every cell. Through "Biological Communication", we can uncover the underlying causes of pathology and dysfunction, identify obstacles, blocks or barriers that may be an impediment to healing -and pinpoint the best way of eradicating these and supporting the body in its journey toward health restoration -gently, quickly and completely.
