Shooting

J. Henry FitzGerald

Shooting J. Henry FitzGerald

John Henry ("Fitz") FitzGerald worked for Colt from 1918 till 1944. **Shooting**, originally published in 1930, was the culmination of Fitz's work in the firearms field. In it he discusses his work with law enforcement and the courts, his theories and practices about practical shooting of the "one hand gun" and his thoughts about target and exhibition shooting, hunting and home defense. This was the only book FitzGerald ever wrote, but his life was clearly dedicated to all aspects of handgun shooting. While his written work might be unfamiliar to some of you, those who are reading this work for the first time should be very familiar with the writings of Elmer Keith, Charles Askins Jr., Ashley Haines and Chauncey Thomas. All these men were friends of FitzGerald and thought highly of his methods and approach. After reading this book, you will feel the same way. Paladin is pleased to add this long-out-of-print volume by one of America's most renowned and colorful shooters to its Combat Classics library. The new forewords by FitzGerald scholars Timothy J. Mullin and Kevin Williams, as well as the addition of a number of never-before published photos, shed new light on FitzGerald the man and the shooter.

From reader reviews:

Gerald Magee:

The reason? Because this Shooting is an unordinary book that the inside of the guide waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book beside it was fantastic author who write the book in such remarkable way makes the content within easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your talent and your critical thinking means. So , still want to delay having that book? If I have been you I will go to the reserve store hurriedly.

Owen Neri:

Do you have something that you enjoy such as book? The book lovers usually prefer to choose book like comic, small story and the biggest the first is novel. Now, why not trying Shooting that give your fun preference will be satisfied by reading this book. Reading habit all over the world can be said as the means for people to know world far better then how they react when it comes to the world. It can't be said constantly that reading behavior only for the geeky man but for all of you who wants to always be success person. So , for all of you who want to start looking at as your good habit, it is possible to pick Shooting become your own starter.

Deanna Jackson:

Can you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Attempt to pick one book that you just dont know the inside because don't determine book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside look likes. Maybe you answer is usually Shooting why because the fantastic cover that make you consider in regards to the content will not disappoint you. The inside or content is usually fantastic as the outside as well as cover. Your reading sixth sense will directly show you to pick up this book.

Carmine Caulfield:

Many people spending their time by playing outside using friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by studying a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It alright you can have the e-book, taking everywhere you want in your Mobile phone. Like Shooting which is having the e-book version. So , why not try out this book? Let's observe.
