The Empty, Little Stocking: a Christmas Tale Marianne Coyne

A little, Christmas stocking, disappointed in Christmases past, longs to be filled with the wonderful things that other stockings are filled with. As the light from the dying embers casts its last glow upon the Christ child in the crèche, the little stocking begins a humble request. He asks God to fill him with wonderful things, too. But as midnight approaches the little stocking's prospects seem as dim as ever. On this Christmas Eve, however, the empty, little Christmas stocking discovers gifts more wonderful than he could possibly imagine. This story is a timeless message for "children" of every age.
