"The Lies behind the Truth" will take you on a journey, a journey of self-exploration. The book is dedicated to all those people who were lead to believe that the manifestation of happiness, health, or abundance was not attainable. It's also for those who have struggled to live up to the expectations of others, expectations we've allowed them to set for us, instead of charting our own destiny, our own greatness, and our own happiness.

By reflecting back on his own life, Randy Kolibaba will show you how your current thoughts and beliefs can truly influence what you experience and manifest into your life. Randy will also show you how easy it is to make a positive change in your life by simply starting to look at what you're thinking.
