#### **Carolyn Rodriguez:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Red Hat Society: Fun and Friendship After Fifty can make you feel

more interested to read.
