Celebrated law professor and author Kenji Yoshino delves into ten of the most important works of the Immortal Bard of Avon, offering prescient and thought-provoking discussions of lawyers, property rights, vengeance (legal and otherwise), and restitution that have tremendous significance to the defining events of our times—from the O.J. Simpson trial to Abu Ghraib. Anyone fascinated by important legal and social issues—as well as fans of Shakespeare-centered bestsellers like *Will in the World*—will find *A Thousand Times More Fair* an exceptionally rewarding reading experience.
