- Suspicious of who your spouse is really seeing during those long nights at the office?
- Want to know who is really behind that online dating profile you have been flirting with?
- Perhaps you are just a parent concerned about who your teenage kids are associating with but don't trust that shady private investigator you spoke with on the phone?

This manual will teach you the very same methods used by law enforcement and private investigators to uncover the real truth about people. Using modern social media tracking, gadgets and social psychological techniques you will become your very own spy, hot on the trail as you piece together your very own case.

The author has an extensive background as both an insurance defence lawyer, private investigator and Open Source Intelligence expert/speaker. Going against their trend of secrecy, the author has now revealed the bread and butter techniques of the new age of private investigators which you too can use to get the information you seek!
