"Is this older man really the kind of guy my wife fantasises about? Could I honestly wait in suspense for her if she goes with him - or would I need to find a way to watch?"

He Owns My Wife Book 1: First Time Cuckolding

Since they met back in High School, Neil is the only man his curvy young wife Lisa has ever been with. Now in her mid-twenties, with Neil's encouragement she opens up about the kind of men she fantasies about. Neil is shocked to learn that these men are nothing like him. They're all much older alpha males, more than twice her age. Very similar in fact, to Lisa's boss at her new job-an arrogant "player" and ex-boxer.

Will the submissive young husband and hot wife get more than they bargained for when this older man with a liking for domination gets his heavy hands on her?

This 8000 word short story ebook, written from the husband's point of view, contains very explicit descriptions of sexual activity including submission, voyeurism and cuckold humiliation. Only mature adults who won't find that offensive should read this.
