**Mexican Journal (Collected Works of P K Page) P. K. Page**

In *Mexican Journal*, P. K. Page recounts her experiences as wife to the Canadian ambassador to Mexico in the early 1960s. Raw, bluntly honest and at times painfully intense, the journal entries expose Page's attempts to overcome troubling phobias and spiritual barrenness. Over time, she discovers colour amid the darkness, immersing herself in Mexican culture, surrealism, and, most importantly, the mystical teachings of Sufism, which would inform her spiritual life for the rest of her career.
