Prince Valiant, Vol. 7: 1949-1950

Hal Foster

Prince Valiant, Vol. 7: 1949-1950 Hal Foster

Prince Val, Aleta and Arn continue their newspaper page adventures in Scotland, Wales, Rome and beyond: this volume has “extras.”

You might think that birth of Prince Valiant’s son Arn at the end of the previous volume would have slowed down Val’s adventuring, but you would be wrong. After the baby has been christened, Valiant and Gawain are dispatched to investigate reports of black magic in Wales, ending up in pitched battle at the aptly-named Castle Illwynde. Then it’s off to Scotland to battle the Picts, and then home yet again for Val to visit his growing boy. *Valiant* now enters the 1950s: The Thule winter is hard and bleak, and a prince who has designs on Aleta must be dealt with. Then it’s another epic-length story, “The Missionaries,” in which Val and several of his fellow knights and crew travel to Rome on a quest for teachers who might bring Christianity to Thule. The story also features an escape through the Alps, far too many red-headed girls, and a tragic, life-changing event for the young squire Geoffrey (a.k.a. “Arf”). And Foster charmingly ends the book with “The Prince Arn Story,” a three-week sequence narrated by the toddler. *Prince Valiant Volume 7*, once again shot from stunningly crisp and colorful original printer’s proofs from Foster’s original collection, will also feature the usual wealth of supplements, including another brace of rarely-seen Foster art, and an introduction by the recently-anointed artist of the ongoing *Prince Valiant* strip, Thomas Yeates. Full-color illustrations throughout
