Bite Me (Bitten Book 1) C.C. Wood

I had the perfect life; an awesome job in advertising, a gorgeous high rise apartment, and a flirtation with the guy down the hall. Then it all came crashing down. Two months later I was a cocktail waitress living in a tiny one bedroom apartment. I had also developed a serious 'men suck' attitude.

That all changed the night I met the beautiful and enigmatic Conner Savage. But there was just one little problem...he said he was a vampire. Figures a man that hot would be batshit crazy. Or so I thought. It didn't take me long to realize that Conner wasn't a nut job and that I was addicted to him. With every moment we spent together he drew me deeper into his world and the supernatural culture in which he lived.

Now I had a choice: the vampire I craved or a normal life. Couldn't be easier, right?
