BOOK #1 PREVIEW

Drawing is something that everyone has probably wanted to learn how to do at some point in their life. It's a fun little hobby, and you can draw some amazing things. However, what some might be afraid of is the fact that they might be able to do it well, or even ever mater it, and that's why a lot of people don't draw. Some might think that it's talent, which in a sense that's a part of it, but only if you're trying to get super professional in that sense. Anyone can draw, you just have to practice and work on it. But many don't know where to start, and that is where this book comes in.

BOOK #2 PREVIEW

Learning how to draw is probably something that you've always wanted to do. You've probably always dreamed of drawing things in an effective and simple manner, but you don't really know where to start. For many of us, the concept of drawing can seem like something utterly daunting, but in reality, it's actually a lot of fun to lean and a great concept for anyone to use. The truth is, anyone can draw. You just have to know where to start. Now, you're not going to become the next Picasso after one session. No, it takes time, but this guide will help you get started. It's simple, but effective, and you can work on drawing amazing things in order to create images and pictures that you can be proud of.

BOOK #3 PREVIEW

Have you ever heard someone say that art can change the world? Well it can! Art is an amazing tool that humans have used since we dwelled in caves to express our understanding of the world around us. Art can help us leave a legacy of our knowledge, express our deepest emotions, and tell stories to people who may or may not ever get to meet us in person.

Drawing is one of the most fundamental tools to have when you decide to create. Drawing things is sometimes thought to be an inborn talent, but the truth is that anybody with the drive to be discerning and creative can pick up drawing easily. The trick is to find your own style!

BOOK #4 PREVIEW

Acrylics have a lot of other amazing qualities that make it easy to understand why so many artists prefer them. The colors are vibrant, and layering the paints is simple to do. If you make a mistake, it is simple to cover up with another paint color. In a way they are like charcoals, and bring out the best in an artist because they know that they only get limited chances to get it right once they begin. If you want to learn some great new tips and techniques that will help bring your acrylic painting to the next level, then you've come to the right place!
