German for Reading(Second Edition) John R. Wendel, Karl C. Sandberg

German for Reading presupposes no previous acquaintance with German and can be used with equal effectiveness by graduate students in the arts and sciences who are preparing to pass a reading knowledge examination, or by undergraduates who are beginning to deal seriously with the problems of reading. Its programmed format permits it to be used either as a classroom text or by individuals working on their own.

The second edition builds on strengths of the first while updating outdated terminology, removing terms and phrases no longer in use, and incorporating many revisions made in light of suggestions from readers.
