**The Eye of Midnight** Andrew Brumbach

**A cross between *Indiana Jones* and *The DaVinci Code* for kids, you won't be able to put down this classic adventure set in 1920s New York City with an Arabian twist!**

On a stormy May day in 1929, William and Maxine arrive on the doorstep of Battersea Manor to spend the summer with a grandfather they barely remember. Whatever the cousins expected, Colonel Battersea isn't it.

Soon after they settle in, Grandpa receives a cryptic telegram and promptly whisks the cousins off to New York City so that he can meet an unknown courier and collect a very important package. Before he can do so, however, Grandpa vanishes without a trace.

When the cousins stumble upon Nura, a tenacious girl from Turkey, she promises to help them track down the parcel and rescue Colonel Battersea. But with cold-blooded gangsters and a secret society of assassins all clamoring for the same mysterious object, the children soon find themselves in a desperate struggle just to escape the city's dark streets alive.

"A youthful mystery **worthy of John Bellairs**, with lyrical language **reminiscent of Edith Nesbit**; yet it stands on its own, creating a fully realized world with clearly defined lines of good and evil, and just a dash of magic."--*Booklist*

"Readers of R.L. LaFevers's "Theodosia Throckmorton" series as well as **lovers of the Rick Riordan books will enjoy this**. A well-crafted adventure with a dash of magic."--*School Library Journal*

"Brumbach's vivid descriptions and terse, to-the-point dialogue keep the action moving and readers constantly engaged and surprised. . . . **A fast-paced, action-packed adventure**."--*Kirkus Reviews*

*From the Hardcover edition.*
