### Upanishads, Vol. 2

Swami Nikhilananda's English translation of three of the major Upanishads - Svetasvatara, Prasna, and Mandukya - offers a scholarly, yet readable version of the sacred texts of ancient India. *The Upanishads* form the foundation of the Hindu religion and describe the ultimate objective of life - the liberation of the soul from the bondage of the phenomenal world. Swami Nikhilananda's clear and insightful writing combined with notes and explanation based on the commentary of Sankaracharya, the great eighth-century philosopher and mystic of India, will help the spiritual seeker delve into the meaning of these spiritual treasures. This second of four volumes also contains an introduction with a general outline of Hindu ethics.
