Every Breath You Take: Jensen Murphy, Ghost For Hire Chris Marie Green

The author of the Vampire Babylon series and *Only the Good Die Young* presents another ghost story...

Ever wonder what happens after you die? Well, as a ghost, Jensen Murphy could tell you—and the truth is much stranger than anything you could imagine...

I never accomplished much when I was alive. As an average eighties California beach bum, I, Jensen Murphy, didn't have any direction. But since I've joined Boo World, I've found a calling. Now, I'm a supernatural investigator, using my ghostly skills to spook confessions out of bad guys.

But being a paranormal PI is taking its toll. Spirits are hounding me for justice day and night, and, now, a ghost hunting TV show is digging up dirt on my unsavory demise that I'd rather keep buried. Worst of all, a seriously evil specter is making my afterlife hell by hurting the people and ghosts I care about. To stop him, I'll need assistance from a higher power—only the price I'll have to pay for that help could be my very soul...
