As a scholar, I exactly feel bored to be able to read. If their teacher questioned them to go to the library or make a summary for some publication, they are complained. Just very little students that have reading's heart or real their leisure activity. They just do what the professor wants, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise, word says, ways to reach Chinese's country. So, this *On Intelligence* by Hawkins, Jeff, Blakeslee, Sandra Reprint Edition (2005) can make you feel more interested to read.
