Every genealogist needs this book, if they're serious about researching their family history. Family stories of all kinds, not just obituaries, can be found in newspapers. While major metropolitan newspapers are being digitized and placed online, many more are available for viewing on microfilm. Learn about the free newspaper databases, and discover which newspapers are covered in subscription databases. Also included is the first-ever state-by-state listing of libraries and genealogical societies that have indexed local newspapers, along with state digitized collections not found elsewhere, and microfilm collections for each state. Interested in family history? Start your research today!
