Two stories are contained within Storming... 'Ho to Kill' and 'Slippery Ish Slips Away'. In both stories, the sea is the only escape. And in both stories, the protagonist is not much of a sailor. Unlike my most well-known book, Assault on Lake Casitas, this newest book is complete and total fiction. Make no mistake, Storming has an edge to it. If you like books with an edge, I think you'll enjoy Storming on the Deep Blue Sea.
