Physical abuse is not the only thing that scars a child. Words hurt too, and children often have no way of handling the harsh criticism of parents. In *The Words Hurt*, readers follow the story of Greg, whose father's problems have caused him to lash out at this son and fail to express the love he truly feels. Beautiful illustrations and a moving story provide critical support for children suffering from verbal abuse — reassuring them that they are good, not bad people, and are not alone.
