Gil's girls: The seminal pin-up artist

Post-depression America was in desperate need of a defining iconography that would lift it out of the black and white doldrums, and it came in the form of **Gil Elvgren**'s Technicolor fantasies of the American dream. His technique—which earned him a reputation as "The Norman Rockwell of cheesecake"—involved photographing models and then painting them into gorgeous hyper-reality, with longer legs, more flamboyant hair and gravity-defying busts, and in the process making them the perfect moral-boosting eye-candy for every homesick private.

"Glamour is back... TASCHEN offers us a look back at these calendar and advertisement goddesses of which Gil Elvgren is king." *erotisme-fr.com, France*

Text in English, French, and German

From reader reviews:

Katy Pinkham:

What do you in relation to book? It is not important along? Or just adding material when you require something to explain what your own problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to complete others business, it is make one feel bored faster. And you have time? What did you do? Every individual has many questions above. They must answer that question mainly because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this Elvgren to read.

William Reeves:

In this 21st centuries, people become competitive in each and every way. By being competitive at this point, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated that for a while is reading. Yep, by reading a publication your ability to survive increase then having chance to stand up than other is high. For yourself who want to start reading the book, we give you this particular Elvgren book as nice and daily reading guide. Why, because this book is more than just a book.

Terry Holmes:

Nowadays reading books be than want or need but also get a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining such as comic or novel. The Elvgren is kind of book which is giving the reader unforeseen experience.

Gordon Frederick:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider whenever those information which is inside the former life are difficult to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Elvgren as your daily resource information.
