Postcards E. Annie Proulx

From the bestselling author of *The Shipping News* comes *Postcards*, the tale of the Blood family, New England farmers who must confront the twentieth century -- and their own extinction. As the family slowly disintegrates, its members struggle valiantly against the powerful forces of loneliness and necessity, seeking a sense of home and place forever lost.

Loyal Blood, eldest son, is forced to abandon the farm when he takes his lover's life, thus beginning a quintessentially American odyssey of solitude and adventure. Yearning for love, yet forced by circumstance to be always alone, Loyal comes to symbolize the alienation and frustration behind the American dream.
