Social Work with Children and Families: Getting Into Practice Ian Butler

This key text covers the knowledge and skills that social workers need to get into practice with children and families. The book covers core components of child and family work such as building effective relationships, assessment, child protection practice and working with the law. Clear and accessible, this practical book features case studies, questions and exercises throughout. This third edition covers the very latest developments in children and family work, including changes in professional in practice that emphasise the importance of understanding child development and observation skills. "Social Work with Children and Families" is an indispensable text for social workers, allied health professionals, psychologists and students of social work and child care.
