The Audio Expert: Everything You Need to Know About Audio by Winer, Ethan Published by Focal Press 1st (first) edition (2012) Paperback

The Audio Expert Everything You Need to Know About Audio Series: Book Publisher: Focal Press Format: Softcover Author: Ethan Winer Gain a deep understanding of audio practice and theory with this easy-to-read book, illustrated with more than 400 figures and photographs. Using common sense, plain-English explanations and minimal math, author Ethan Winer helps you understand audio at the deepest, most technical level - no engineering degree necessary. If you're an intermediate to advanced recording engineer or audiophile, you already know the basic mechanics of how audio "works." This book will take you beyond that, weaving together audio concepts, theories of aural perception and acoustics, musical instrument physics, and basic electronics and demonstrating their relationships to one another. Rather than merely showing you how to use audio devices like equalizers and compressors, Winer explains how they work internally and how they are spec'd and tested. Inventory #HL 00127931 ISBN: 9780240821009 UPC: 888680010379 Width: 7.5" Length: 9.25" 696 pages
