Young twins, Jehanna and Jehan, are abandoned, presumed orphaned off the coast of Tennengaul. Brought up by a poor family in a small fishing village, they set out one day on an adventure that takes them across the country to find their fortune and discover their talents. Jehanna develops a skill for herbs and healing, while Jehan trains to be a soldier in a local garrison.

The new King of Carentan at only eighteen years of age is confronted by a national threat from the Southern Lands that soon becomes a threat to the entire Western Isles. Only months into his reign, it falls to Gereinte Andolin to draw together the combined might of the divided Western Isles to stand up to the threat of the Chevaliers of Arrontierre. But will it be enough?

Jehanna and Jehan have their own part to play in events that unfold in the lead up and conclusion to the battle for Vermondie, with the eventual freedom of the Western Isles hanging in the balance.
