Chastity Lilly is no flapper. In 1920s New York, she's determined to find a career as a teacher so she can support her family upstate. But one thing leads to another, and the company she keeps in the big city leads her down a very different path than the one she sought.

When she helps a handsome rancher in town looking for his own errant sister, can she turn her act around? Will she take his offer of a teaching position in Wedlock, Montana and make a brand new start? And if she does, can she--and the rancher--leave the past behind to forge a new future together?

Not if the rancher's sister has her way.

This is a sweet historical Western romance. There are no PG-13 or R-rated scenes.

He gently lifted my hand to his lips, and gave it a chaste kiss. "Miss Chastity, would you do me the honor of allowing me to call on you tomorrow? I haven't forgotten my debt—not only did you help me with Jessica, but I should like to help you find news of your friend tomorrow, before I take my sister back home."

One look into his piercing blue eyes, and I knew there was no way I could ever say no to Carl Ward. I wasn't sure he could help me, but more than anything, I wanted to see him again.

"Oh, Mr. Ward," I said. "Nothing would please me more."
