## The SAGE Handbook of Corporate Governance (Sage Handbooks)

The urgent and sustained interest in corporate governance is unprecedented, with the connections between corporate governance and economic performance being emphasized by the World Bank, the

IMF and others in the global economic community.

In this timely and definitive intellectual analysis of a key discipline, **The SAGE Handbook of Corporate Governance** offers a critical overview of the key themes, theoretical controversies, current research and emerging concepts that frame the field. Consisting of original substantive chapters by leading international scholars, and examining corporate governance from an inter-disciplinary basis, the text highlights how governance issues are critical to the formation, growth, financing, structural development, and strategic direction of companies and how corporate governance institutions in turn influence the

innovation and development of industrial and economic systems globally.

Comprehensive, authoritative and presented in a highly-accessible framework, this Handbook is a significant resource to those with an interest in understanding this important emerging field.
