So you would like more clarity, insight, wisdom, intuition, and spiritual awareness?

This book will help you achieve these sacred intentions.

?

The Third Eye is one of human beings' most powerful energy centres, located in the middle of the forehead. I believe that when it is awakened, the Third Eye can act as a 'stargate' that sees beyond space and time. It is considered the most powerful source of ethereal energy.

Extraordinary intellect, intuition, wisdom, and spiritual insight are available to everyone... but few of us even begin to tap our profound potential. Opening your third eye can help you tap into these vast capacities. This book demystifies the third eye and explains its true nature in the brain as the pineal gland. In the average person, the pineal gland is atrophied, [calcified] and dormant. The exercises in that book will change that. This guide will teach you the necessary steps to take to decalcify your third eye to repair and heal it so you can fully use it to its highest potential.
