Every night for three years the vengeful King Shahriyar sleeps with a different virgin, executing her the next morning. To end this brutal pattern and to save her own life, the vizier's daughter, Shahrazad, begins to tell the king stories of adventure, love, riches and wonder - tales of mystical lands peopled with princes and hunchbacks, the Angel of Death and magical spirits, tales of the voyages of Sindbad, of Ali Baba outwitting a band of forty thieves and of jinnis trapped in rings and in lamps. The sequence of stories will last 1,001 nights.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
