Squares....Mmm Mmm, Yummy, Delicious Pudding Recipes from Scratch!

Gram had 8 children and 15 grandkids and as I've said before, that's a lot of honest judges. With that many children running around, never mind all the neighborhood kids popping in and out, everyday Gram would prepare homemade baked treats fresh for the taking and set them out on the kitchen table. After greeting Gram and Gramps with a hug, I always went straight to the kitchen table to see what sweet surprise awaited me inside the foil wrapped dish.

The ten square recipes from scratch in this cookbook are tried and true by many and probably the reason we were all so popular, I mean who can resist friends with treats! I hope you enjoy these desserts as much as we all do!

These handwritten recipes have been handed down through four generations of home baking. From our home to yours, I'm sharing our long-standing family favorites transcribed directly from the original handwritten recipe book that my mom received from her mom.
