**The True Stella Awards: Honoring real cases of greedy opportunists, frivolous lawsuits, and the law run amok** Randy Cassingham

**Gathered from the popular Web site StellaAwards.com, *The True Stella Awards* is an outrageous collection of America's most ridiculous and frivolous lawsuits.**

Named for Stella Liebeck—the woman who spilled hot McDonald's coffee on herself and then won a lawsuit against the fast-food chain—humorist Randy Cassingham's popular Web site chronicles the hard-to-believe and amusing claims that have been brought before U.S. courts.

Now, for the first time in book form, *The True Stella Awards* presents some of the most outlandish and unbelievable-but-true lawsuits in America. Some of the Stella Award cases include:

- The man who legally changed his name to Jack Ass, and then sued MTV for \$50 million because their TV show and movie *Jackass* infringed on his trademark and demeaned his "good name"
- The songwriter who left a minute's silence on his record only to be sued by the estate of another songwriter who copyrighted his own "silent" song
- The man who sued an amusement park after being the victim of the ultimate "Act of God": he was hit by lightning while standing next to his own car in the parking lot.
