Curved Blue Lines: A Policewoman's Tale

Episode 1

~~~~~

**Another case - another person in need of a personal, in depth lesson in Law and Order.** Police officer Tessa Brewer believes in order – she'll go out of her way to help wayward souls experience the full and long reaching fingers of Justice.

Her and her beautiful partner, Nina, have their orders to bring these lost, criminal souls back to the light: Crying and on their knees, if need be.

But, after losing her favorite 'work in progress' to crime, Tessa is hesitant to start working on her newest project - the cold but beautiful lawbreaker, Carmela. There's something about Carmela that makes her want to lose control - and she can't have that.

Can she bring Carmela back to the right side of the law without becoming affected by her many charms? Can she maintain her distance without losing her will, and her heart, once again?

Because, as time has told, the fight for Justice always begins with someone on their knees.

This book is the steamy beginning of a new series, and is intended for mature audiences.

Relax, you're going to love it.

This story is approximately 7300 words.
