Former hit man Taigen Banvard is desperately tracking the most dangerous prey he's ever faced: his sister. Fighting demons from his past and lethal threats at every step, he follows the trail to Torrhent Lynd, an escaped convict and the stepdaughter of the man set on using his sister as a personal assassin. With time running out and his sister's body count rising, can Taigen trust Torrhent long enough to put an end to his nightmares?

Framed and convicted for a murder she didn't commit, Torrhent Lynd has broken out of prison and is dead-set on getting revenge on her stepfather, the man who set her up. Running from the law and driven to mete out justice of her own, she can't afford to trust anyone, including Taigen, the fierce and attractive man who might be the only chance she has to get out of this alive.

With the FBI on their trail, a serial killer on the loose, and hired guns looking to silence them both, the two are forced into an uneasy alliance. As they race to settle their scores and fight to stay alive, each drop of blood they shed brings them closer to their targets, and dangerously closer to each other.
