**I wanted him to go further, to throw me upon his bed and touch me in all of those spots. Arousal inflamed me and burned my every thought.**

Abigail is a poor girl who is living with her cousin, she has no money or home of her own. She does all of the house chores and takes care of her nephews. Once she is of age, she seeks work, and is hired at a Lord's Mansion. Who is the mysterious master of this castle?

He is a strikingly handsome and powerful man, once he finds out about her, he calls her to his room. As he dominates her and dresses her as he pleases, she can't help but yearn for more, but he keeps teasing her. Her body is about to explode. This young **innocent, untouched, curvaceous** girl wants the Master inside of him.

"I had never had any sexual experiences, so I did not know a man's hand usually felt like, but Lord Thomason's fierce hand upon my body was magical. The mystery of pain and pleasure was alluring. How could punishment feel so great? How could I actually be enjoying this man swatting my bottom? It seemed so taboo, so strange. Was this normal for a woman to enjoy? I did not care. All I knew was that I wanted more, and I only wanted Lord Thomason to be the one to give in to me."

**Will the young innocent Abigail have her wish? Will the Master have her way with his maid as he dominates every inch of her body?**

**Buy now to find out if this taboo relationship leaves you wanting more.**

**WARNING: Explicit content of young untouched girl with a older dominating man, spanking, and age play is involved. Only for readers 18+**
