Marijuana Success Indoors looks into the gardens of real people to see how they have combined gardening skill with technological savvy to produce quality buds. This large-format, 8.5 x 11 inch book focuses on homegrowing cultivation issues and solutions, including working in small spaces, the use of hydroponics versus planting mix gardens, lighting, and supplementing with CO2. A great companion to information found in grow guides Marijuana Success Indoors shows what types of problems are encountered in actual gardening situations, and how they are addressed to result in success.
