I'm Tyler Lindsey, and until recently, I had an okay apartment, an okay girlfriend, and an okay job as a bellboy at a respectable Boston hotel. Then rock star Chris Raiden died right before I brought his room service—stiffing me on the tip, by the way—and my life went to hell. My fifteen minutes of fame was more like five seconds, and my girlfriend left me in disgust.

But even worse—Chris is haunting me. Not the room where he died, like a normal ghost. No, somehow he's stuck to me and is insisting on taking care of a bunch of unfinished business in California. So now I have to traipse across the country with the world's most narcissistic ghost.

But . . . I keep having these weird thoughts. Thoughts about how much I like the way he makes me laugh. Thoughts where I kind of want to kiss the emo-narcissist, even though he's a ghost and an asshole and I can't touch him anyway. And even if I could, what will happen when he finishes his business and nothing's keeping him here anymore?
