A classic Blackbird Sisters novella, available digitally for the first time!

Whoever coined the phrase “Shop till you drop” certainly never meant “Shop till you drop dead.” But premier personal shopper Popo seems to have done just that—except this shopper’s been murdered. After Popo’s body is found on a display bed in the luxurious Haymaker’s department store, Nora Blackbird is forced to put solving a murder before finishing her Christmas shopping. With sister Libby off on a spending spree and sister Emma checked into rehab, it’s up to Nora to see who had a personal vendetta against this personal shopper—and to determine if a certain designer handbag was worth killing for.

Includes a preview of *No Way to Kill a Lady*, out August 2012!
