BE MY LOVE (Book 1)

After four years on the Seattle mainland, when Hanna Walker returns to Walker Island to make a documentary about the infamous Peterson-Walker feud from the early 1950s, she's shocked to realize that passions still run high. Especially when it comes to Joel Peterson, the one man who is totally off-limits...but that she's never been able to stop dreaming about.

NO OTHER LOVE (Book 2)

Morgan Walker, makeup artist to the stars, never thought she'd leave New York City to come back to Walker Island. But when she is tapped to headline her own TV makeover show, she decides it's the perfect time to launch her organic makeup line made from flowers and plants grown on the Walker family plot of land. While she's really excited about getting to spend a few weeks with the sisters and grandmother she doesn't see nearly often enough, she's equally worried about the possibility of seeing Brian Russell again. Because even though they broke up seven years ago, she's never been able to forget him. Not for one single day...

WHEN IT'S LOVE (Book 3)

Once upon a time, Rachel Walker longed for—and sought out—adventure. But after her boyfriend found out she was pregnant and left her to raise her daughter Charlotte alone six years ago, she put her wild child days behind her. For good. So when Rachel's sister needs her to step in to help film a TV show with professional surfer Nicholas Quinn on Walker Island, she isn't the least bit worried about losing her heart to him. Not until the first time she sees him smile and realizes that her heart isn't completely closed off to promises of breathless excitement after all...

ALL FOR LOVE (Book 4)

Paige Walker loves her life on Walker Island—teaching dance classes, spending time with her family, and enjoying the beauty all around her. The last thing she's interested in is the spotlight. One fiery brush with that a few years back was more than enough for her! Still, sometimes she can't help but secretly long for more than her quiet life on Walker Island. TV star Christian Greer has finally gotten his big break starring in a major motion picture. The catch? He needs to learn how to dance like a pro, preferably in a studio far enough from Los Angeles that the paparazzi won't be able to catch any of his stumbles along the way. Walker Island seems like the perfect place to learn to dance and beautiful Paige Walker definitely seems like the perfect

teacher.
