Find the answers to the questions your colleagues and clients are asking in *Technical Practice Aids*. This key resource enables you to: access common Qs&As from the AICPA Technical Hotline and review staff and implementation guidance issued by the PCAOB; obtain guidance in the Trust Services Principles, Criteria, and Illustrations for providing assurance services, advisory services, or both on information technology (IT)-enabled systems including electronic commerce (e-commerce) systems. This guidance is particularly relevant when providing services with respect to security, availability, processing integrity, online privacy, and confidentiality; research the guidance provided through the auditing and attestation Statements of Position.

The 2012 edition includes more than 60 new Technical Questions and Answers on trending topics: assets; auditors' reports; and attestation engagements, including SOC engagements

Also new in this edition: two new PCAOB Staff Audit Practice Alerts and new release of Trust Services Principles, Criteria, and Illustrations section 200, *Trust Services Principles and Criteria for Certification Authorities Version 2.0*, was added, which supersedes the 2000 version of the *Trust Services Principles, Criteria, and Illustrations for WebTrust(R) for Certification Authorities* [Version 1.0].
