Catching Fire Movie-Tie-in-Edition Suzanne Collins

Catching fire is the sequel to the hunger games. It follows katniss everdeen's and peeta mellark's return home to district 12 in panem country after the end of the 74th hunger games. "katniss everdeen survived the hunger games. Now the capitol wants revenge. Against all odds, katniss everdeen and peeta mellark are still alive. Katniss should be relieved, but now there are whispers of a rebellion against the capitol - a rebellion that katniss and peeta may have helped create. As the nations watch katniss and peeta, the stakes are higher than ever. One false move and the consequences will be unimaginable." peeta and katniss are on a victory tour of the country after emerging as winners in the 74th hunger games. An angered president snow comes to see them at their district 12 home for they owe their victory to peeta breaking game rules in the final round. Snow tells peeta that her actions have caused rebellions in the districts of panem. Her first visit is to district 11, home to hunger games ally, rue, where a tribute is made to her memory. She proceeds to visit all 12 districts and learns that her visits have not managed to subdue revolts. Her public proposal to katniss also fails to placate president snow. Soon after their return home, they hear the announcement for the 75th hunger games in which 24 previous victors will be forced to participate. Both katniss and peeta will participate. Katniss vows that she will try her best to ensure peeta's victory in the 75th games. What happens in the 75th game, which packs its share of new rules and surprises and with rising tension amongst the people of panem against the capitol in the backdrop, is what the book is all about. Overall, the book received positive reviews worldwide. It stood fourth in time magazine's top 100 fiction books of 2009 and eighth in people magazine's best books of 2009.
