But now, someone is out to take his place as Master Vampire of the city of New Orleans, and is not afraid to go through Jane to do it. After an attack that's tantamount to a war declaration, Leo knows his rival is both powerful and vicious, but Leo's not about to run scared. After all, he has Jane. But then, a plague strikes, one that takes down vampires and makes their masters easy prey.

Now, to uncover the identity of the vamp who wants Leo's territory, and to find the cause of the vamp-plague, Jane will have to go to extremes...and maybe even to war.
